Good Afternoon...

Thank you all. After seeing that there was a "manditory job walk" scheduled for this morning at 10 AM and thinking that was too tough for us to meet, I called the YMCA Executive Director and President seeking a revised schedule which is a little more conducive to our effective participation. No final decision on that yet. I'll communicate as soon as I hear anything.

In the meantime, Bob I'd love to talk about how I can help this happen with you. I'm available at your convenience.

Bob,

Karen asked me to thank you personally for always holding my hand when I bite off more than I can chew...you are a treasure! Thank you for your email, all good info. Don said he was going to call you today. I think Drollinger should probably step back since we are not on the board...however, Karen wants to make sure that this is followed through on by the Y. The Y has assured her that this will be a real community project with volunteers etc. Karen's cousin who lives in the neighborhood is willing to help. I guess the question is...what can we afford and who will bid? Don - Input?

Thank you.

Miki -

Nothing difficult on these plans or in the bid notice. The notes on a licensed GC are City mandated for permit nothing more. If the Owner pulls permit as Owner Builder then I don't see any LADBS restrictions that would prevent Owner builder from doing landscaping, fencing and hardscape. Fairly certain, that owner has to have workman's comp and GL insurance coverage for any workers used on site for performance of this work if **licensed contractors** are **not** used. No reason this can't be done as you discussed today. You could even involve the Boy Scouts as volunteers for an Eagle Project if desired.

Regards,

Bob

Avi, Andy and Florencio,

Attached are the bid documents for the site work at the Alverstone property for the Westchester Family YMCA. Thank you very much for your interest in this project. Please review the Invitation to Bid for more complete information regarding the bid schedule. I will look forward to seeing you all at the pre-bid walk through.

Sincerely,

Peter
